Ms. Perez-Sullivan,

My name is Andrea Diangco and I'm an investigator with OSHA. I'm contacting you because I'm currently screening a complaint that was filed by a Ms. Ashley Gjovik. It's my understanding you have been in contact with her within the last few months regarding possible CERCLA violations. I would like to schedule a phone call with you because I believe you have useful information related to Ms. Gjovik's complaint.

I will be taking leave the next few days, but will be returning next Wednesday 12/1. I have availabilities on 12/1 from 2-3:30pm and 12/2 from 2-4pm. Please let me know if you're available during any of those times.

I look forward to speaking with you.

Have a good holiday,

Andrea Diangco
